- One work station
- Hand washing sink (nail technician & esthetics salons)

The following must be posted in the salon:

- Salon License, Personal and Independent Contractor Licensees
 - National Infection Control and Pedi Spa Standards
 - Blood Exposure Standards
 - Wyoming Infection Control Standards
- **All Infection Control Standards are available at <http://cosmetology.wy.gov>**
- **Refer to Wyoming Rules and Regulations, Chapter 7 and Chapter 10, for more detailed information on salon requirements and sanitation.**

Procedure:

- Complete and return to the Board office the notarized salon application along with:
 1. Salon application fee
 2. Completed inspection sheets
 3. Floor plan of salon
 4. Salon waiver (if applicable)
 5. Notification of change of owner (if applicable)
 6. Proof of Lawful Presence (if applicable, non-licensed owner only; acceptable documentation below)
- **Applications must be received by the Board office at least 15 day prior to date of opening.**
- **Salon must have inspection or verbal approval and salon license posted prior to opening.**
- **You may only use the salon relocation application if you are moving a currently licensed salon within the same town with no change of ownership.**
- **Salon owners who intend to hire licensee's as employees will have to have a federal ID number**

The following numbers may be of assistance when opening your salon:

Disinfection procedure per national standards, page 32, Wyoming Laws, Rules and Regulations:

- Wet disinfection and storage standards.
 - Prior to use on any client, all non-porous tools and implements or multi-use items must be cleaned AND disinfected. Items must be cleaned with soap and warm water or a chemical cleaner. The items must then be disinfected by complete immersion in an EPA registered, bactericidal, virucidal, fungicidal (formulated for hospitals) disinfectant that is mixed and used according to the manufacturer’s directions. Items that are porous are not able to be disinfected and must be disposed of after each use.
 - Items MUST stay immersed or visibly moist with disinfectant for the entire contact time listed on the manufacturer’s label to be effective.
 - All disinfectant solution must be changed per the manufacturer’s label or sooner if contaminated.
 - Dry storage standards.
 - Disinfected implements must be stored in a disinfected, dry covered container and be isolated from contaminants. At no time can these items come into contact with used/dirty items.

I understand that if determined a physical inspection cannot be completed, I may open my salon with verbal approval from the Board, only after receiving and posting the salon license. I also agree to make any required changes to be compliant with all Wyoming Board of Cosmetology Laws, Rules and Regulations upon completion of the physical inspection.
